REPUBLIC OF SOUTH AFRICA

Each-One-Settle-One

- Human Settlements Minister Tokyo Sexwale is calling upon every South African who can assist, to step forward and join **Each-One-Settle-One**, a campaign aimed at addressing the huge national housing backlog.
- **Each-One-Settle-One** will be launched at the Johannesburg Stock Exchange on the 29th of September 2011 in the presence of business and other stakeholders.
- Our government has to date delivered over three million houses since 1994. Yet the housing shortage still remains a major issue. Government cannot do it alone, let us all join the campaign **Each-One-Settle-One**.

For more information on how you can get involved to assist a fellow South African to have a home, call this number: 0800 146 873.
