Youth Leadership Development

**Why**

- Contribute in improving the quality of education through youth leadership development:
  - Lack of direction.
  - Despondency.
  - Inferiority complex due to circumstances.
  - Lack of self belief, confidence and discipline.
  - Increase in social ills, e.g. teenage pregnancy, substance abuse, bullying.

- Interventions include the following:
  - Mentorship.
  - Career guidance.
  - Leadership development and practical leadership.
  - Principles of active citizenship & Entrepreneurship
